CEDAR SHORE  
RESORT

With the current uncertain purchasing and supply chain delays and food delivery timing happening in every city, we are often experiencing our need to substitute food items, often short-term, before a banquet or event. We sincerely apologize for this. This situation is out of our hands; we are at the mercy of the conditions mentioned above – uncertain purchasing availability and delays in supply chain delivery. We ask that you know we intend to serve what you ordered at the price you agreed upon initially when you signed your group agreement.

Moreover, because of the uncertain prices we have to pay and the delivery time when we receive the food items you ordered initially, there may be times when we may have to charge you the market price. If paying the market price is not acceptable, we will offer you food item substitutes.

So again, we are at the mercy of this unusual situation that all businesses have to deal with currently. We are confident you find the same problem when shopping for your groceries and other retail stores.

Please be assured we will communicate with you every step of the way, have a backup solution and serve your group a meal that will make you and us very proud. We hope this unusual situation will pass sooner than later; it's just out of our control. We thank you sincerely in advance for your understanding and flexibility.

# TERMS AND CONDITIONS

A great deal of effort goes into coordinating a successful event, thus all the details must be completed & agreed upon in writing at least 10 business days prior to your event.

The Catering Department requires a signed Function Agreement at the time of the booking to secure space. Upon review of your event requirements, Banquet Event Orders (BEO) will be sent to confirm all final arrangements & prices. These BEOs will need to be signed & returned prior to your event & will serve as part of your agreement.

An 18% taxable service charge will be added to the totals of all food & beverage items provided. State Tax at the applicable rate will be added to the final bill. There may be increases in prices due to unforeseen changes in market conditions at the time of your event. We will communicate these increases to you in advance. Food prices are confirmed once signed Banquet Event Orders (BEOs) are received.

Cancellation within 7 days of the event will result in full meeting room charges and half the estimated meal costs plus applicable taxes. Cancellation within 30 days will result in full meeting room charges plus applicable taxes. Cancellation within 60 days will result in half the meeting room charges plus applicable taxes.

## UNDERSTANDING YOUR NEEDS

In order to properly prepare for your event, we need to understand your needs. Be prepared to provide as many details about your event as possible, such as:

- What is the name of your event?
- How many people are attending?
- What setup style do you require?
- Do you require a custom floor plan?
- What is the start time & finish time?
- Do you require access to the room early for setup?
- Do you require catering/bar service?
- Do you have audio visual requirements?
- Do you have any special dietary needs?

# TERMS AND CONDITIONS

## ROOM ASSIGNMENTS AND LIABILITY

We reserve the right to reassign meeting rooms based on group size, event needs & management discretion. While this is rare, sufficient notice will be given to the group. Early room access may be available for additional fees & is subject to Catering Manager's discretion. We reserve the right to inspect & control all private functions. Liability for damages to the premises will be charged to the representative making the actual arrangements at repair or replacement costs.

Posters or directional signage may not be located in the hotel lobby or in the hotel without prior approval. Any damage or additional cleaning costs incurred by the property will be added to the final bill. Please do not use staples, nails, tacks or pins. Please inquire about approved hanging devices for your setup needs.

## AUDIO VISUALS

Audio visual equipment & services can be ordered through our Catering Department. We ask that requests be made at least 10 business days prior to the event. An equipment rental list can be requested from the Catering Department.

Clients may store their audio visual equipment overnight in our meeting rooms based on availability, but the Catering Department will not assume any responsibility for damages or loss of merchandise for items left in banquet rooms.

The Catering Staff is trained to work with our standard equipment & does not have a specialist on site. If your group requires any special technical setup needs, it is the group's responsibility to make arrangements for this. Additional fees will apply. Only Cedar Shore Resort & Conference Center Staff is to manage in house systems (lights, microphones, sounds, LCD, etc.). Tampering with or unapproved use of Cedar Shore AV equipment leading to damage or loss will be billed back at event organizer's expense.

## MENU SELECTIONS AND GUARANTEE

Menu selections are required at least four weeks prior to the date of the function. Event menu tastings & custom menu design may be available upon request & may incur additional charges per person at the tasting. For the various departments to prepare properly for your event, it is important the Catering Department receive your final attendance number 10 business days prior to the date of your event. This will be considered your minimum guarantee and not subject to reduction.

# TERMS AND CONDITIONS

## PLANNING ACCESS TO THE FACILITY

If you need special access to the facility before & after your event (perhaps to decorate or move equipment in/out) we will need to know in advance. Typically for large events requiring extensive setup, extra accommodations need to be made so that there is a sufficient gap between clients. Additional fees may be charged.

## BILLING AND PAYMENT

For corporate events, a direct bill account will be utilized, unless prior arrangements have been made. At the conclusion of the event, a total combined invoice for all food & beverage functions will be sent to the group contact & full payment is required within 30 days of the event.

For social events, room rent/deposit is required to be paid in full to secure reservation. Full payment is required 10 business days prior to the event, along with a valid credit card to be used for any future charges that may exceed the previous payment. Deposits are non-refundable.

Tax will be added to all charges unless the proper tax exempt paperwork has been filled out & returned to the Catering Department for review. If paying with a tax exempt credit card, a copy of the front & back of the card should be provided for our records.

## OUTSIDE FOOD AND BEVERAGE

To ensure the safety of our guests & to comply with local health regulations, outside food & beverage of any kind (except specialty cakes) will not be permitted within meeting & banquet rooms by the guests. Local health standards also prevents food prepared by the property, that remains uneaten after a function, be taken out of the banquet facility.

In the event you (the meeting planner) or any of your attendees are found to have any outside food or beverages on property without prior written approval, you will be asked to return the items to your hotel room or vehicle for storage until the conclusion of the event. If unable to comply, the items will be confiscated. Discovery of outside food and/or beverage could result in fees being added to the final bill.
